Payment of Issue Fee as a Large Entity

Dear Sir:

The above referenced patent application will issue on June 5, 2007 as patent number 7,227,445. On April 23, 2007, the base issue fee, which was due July 17, 2007, was paid as a small entity. The status as a small entity was previously established in good faith, and fees, including the base issue fee, were paid in good faith. However, it has been discovered that the small entity status as of the date the issue fee was paid may have been established in error. To remove any doubt as to the correct status of the Applicant, payment as a Large Entity is now made.
